

Wings and Things

May 2017

Club Information

The Lodi Area Radio Control Club (LARCC) meets on the 3rd Wednesday of each month at 7:00PM.

During the winter months the club meets at Lucky's Bar and Grille in Okee.

During the summer months meetings are held at Quarry Field.

Club Officers

If you have questions about club activities please contact one of the officers or visit the club's web site.

President	James Koeppel (608) 635-5157 president@larcc.com
Vice President	Brian Roberts (608) 846-4945 vice.pres@larcc.com
Secretary / Treasurer	Kevin Kopp (608) 220-3678 secretary@larcc.com
Safety Officer	Kenton Tomlinson (608) 635-4815 safety@larcc.com

Club Website

The official web site of the Lodi Area Radio Control Club can be found at:

From the Prez

By President James Koeppel

Well another month has just flew by, and our swap meet is less than two weeks away. Lets hope for good weather and a large turn out.

I, like a lot of members, need to get rid of a few planes and hopefully not add anymore. I have too many to build now.

I would like to thank all who helped out at the field work day. We did not have too much to do. Kevin K. spent time working on equipment before hand so we should be good to go for the season. Thanks again Kevin.

Looks like we are going to try to have this month's meeting at the field, hopefully everyone can come early and get a few flights in.

See you at the field,

James 

Secretary's Report

By Kevin Kopp

April 19, 2017

The April meeting was called to order at 7:02 PM by Secretary Kopp.

Kenton Tomlinson motioned to approve the Secretary's and Treasurer's Report as read. Wayne Riemer seconded the motion. Motion passed.

Old Business

No updates on any of the local parades

Kenton Tomlinson said that there are new fire extinguishers at the field. After some discussion it was suggested to get one larger extinguisher for the flight line as well. Kenton also said that there are two blue dry boxes that are first aid kits. One kit is in the cabinet in the shed, the other is in the pin shack. Kevin Kopp said that he would get first aid labels made up for them.

The annual work day is on April 29th. Work to complete is removal of the collapsed shed, mole abatement, refrigerator clean out, and removing the plastic ceiling in the shed.

Reminder that the swap meet is coming up on May 21.

Kevin Kopp said that he looked into the Maker Faire. He didn't see how the club would set something up for the event. Suggest that a few members check out this years Faire and see if it would be something to try next year.

New Business

Kevin Kopp said that he has access to a high density foam board that could be used as a new ceiling in the shed. Sheets are 4x4 in size and are a \$1 a sheet. It should be about 25 sheets to do the ceiling. Members said that they would like to do this. Kevin will arrange to pick up.

Kenton Tomlinson motioned to adjourn. Wayne Riemer seconded the motion. Meeting was adjourned at 7:28PM. 🇺🇸

Notice

THE MAY MEETING WILL BE AT THE FIELD, WEATHER PERMITTING.

IN CASE OF INCLEMENT WEATHER, WE WILL MEET AT LUCKY'S IN OKEE. WATCH FOR AN EMAIL OR ON OUR FACEBOOK PAGE IN CASE OF LOCATION CHANGE

BRING AN AIRPLANE AND FLY BEFORE AND AFTER THE MEETING.

MIGHT WANT TO BRING A JACKET AS WELL

Propwash

By Kevin Kopp

I guess spring has finally sprung. I just wish the weather would make up it's mind. I went out to the field the other day hoping to get a few flights in. It was a little too windy for the airplanes I brought to fly, so I grabbed a kite. Wouldn't you know, the second the kite came out the wind dropped and wouldn't stay consistent enough to even fly a kite.

This month's newsletter is the annual event issue. To the left you will find most of the events that we have scheduled so far. We still need to set up a date to have the Reedsburg Club come down and fly with us. We still have to decide if we are going to do any of the local parades. Also, there will hopefully be a night fly scheduled some time this summer.

On pages 4 and 5 are a listing of events other clubs are putting on. There are probably more out there but some have not been sanctioned yet or the clubs have not finalized their dates. As I find out about them I will include them in the normal *Upcoming Events* column.

Lastly, a BIG thank-you to everyone who came out and helped out at the work day. It was nice to get some of the work done and the field and equipment ready for the flying season. Again THANK-YOU.

That's all for this month. Hope to see you at the meeting...at the field....bring something to fly.

Kevin

UPCOMING EVENTS NOTES

- These are the summer events that I found whilst searching the interwebs, as of now
- There are a few other events that I know of that are have not been finalized yet. Those will get added in the monthly events list.
- Do not forget about our club events that we have scheduled for this summer. These events are in red in the normal monthly events list.
- Try and get out and support some of the other local clubs, lots of times they come out and support us.
- Let others know if you are going to an event...the more the merrier.
