From the Prez

By President Tim Klade

The Dekorra event was a success again this year. Nice weather and a afternoon/evening of flying followed by a very nice fireworks show. I would like to thank Kenton T., Shawn P., Kevin K., and James K. for helping with setup/tear-down. I would also like to thank Don and Joy, James K, Shawn P, Kenton T, Brian R,and Chris G, and Wendy for coming out to participate in the event.

Also the Reedsburg day was a great success. 30 people showed up. The day went very well!!

Tim

Secretary's Report

By Kevin Kopp

July 20, 2016

The June meeting was called to order at 7:01 PM by President Klade.

There were 12 members present.

Kenton Tomlinson motioned to approve the Treasurer's Report as read. Todd Giesfeldt seconded the motion. Motion passed.

James Koeppel motioned to approve the Secretary's Report as read. Shawn Pendleton seconded the motion. Motion Passed

The club currently has 41 members, 6 are associate memberships.

Old Business

The club has purchased a new Stihl string trimmer for use at the field. We did go over budget by $4.98. Tim Klade said that he would cover the overage to the treasury.

Tim Klade gave a report on the Madison Electric Fly-In. Several members attended and got to see their new field. There was some flying, but it was quite windy.

Several club members participated in the flying demonstration at Dekkora Fest. The weather was good and we were well received again this year. Thanks to all who came out.

It was mentioned that the Experimental Aircraft Association is allowing AMA members to fly at Pioneer Airport during Airventure again this year.

Reminder that the Reedsburg Area Flyers have been invited to come fly with us on August 7 and that we have been invited to go fly with them August 13 at their field.

New Business

The Fun Fly Committee has been working on preparations for the upcoming event. If you are interested in helping at the event please let Tim or Kevin know. It would be helpful if you also let us know what you would like help out with (eg raffle tent, flight line, food tent, etc.). It would be nice to get enough people to help out so that we can give each other breaks.

The committee is also looking for someone to help get raffle prizes. If you can help out there, please see Kevin or Tim to help coordinate. If you would like to donate an item for the raffle please let Tim or Kevin know. Cash is always good too.

We are going to do a Pilots Raffle this year at the Fun Fly. There will be one prize, a gift card for an AMA Membership. Several members have chipped in to donate the cost of the prize.

Randy Brue motioned to adjourn.James Koeppel seconded. Motion passed.
