## From the Prez

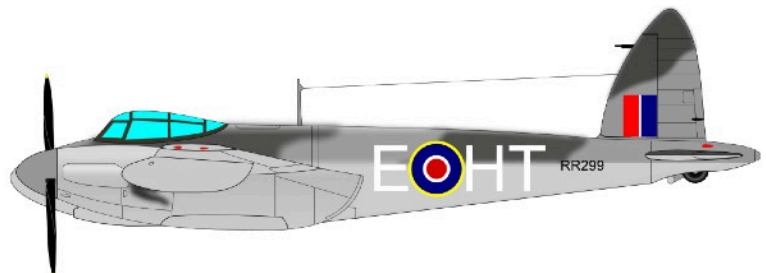

By President James Koeppel

Happy New Year to everyone !!

I hope everyone had a great Holiday season with friends and family. Now we only need to get through the cold and snow for a couple more months till spring. Where is global warming when you need it ?

Hope to see you all at the next meeting. We should start to see all the new Christmas and Swap meet goodies people have received.

# Secretary's Report

By Kevin Kopp

## December 21, 2016

The December meeting was called to order at 7:04 PM by President Koeppel.

There were 9 members present.

Randy Brue motioned to approve the Treasurer's Report as read. Kenton Tomlinson seconded the motion. Motion passed.

Kenton Tomlinson motioned to approve the Secretary's Report as read. Ryan Stratton seconded the motion. Motion Passed

### Old Business

James Koeppel provided an update on the Bushnell Ford sign on the shed. James found out that Bushnell Ford provided a \$500 donation to the club that helped out with the runway repairs that happened a few years ago. There was no time set for how long to keep up. It was suggested to leave the sign up for at least 5 years, which would be until 2020.

Frozen Finger Fly - Depending on the weather we may need someone to plow the driveway. Randy Brue said that he may be able to help out. Kevin Kopp and Randy will work out a time if needed.

Bylaws were accepted with no objections by the members present. Passed unanimously.

Election of Officers for 2017 - Kevin Kopp motioned to close nominations. Kenton Tomlinson seconded the motion. Motion Passed. The following officers were elected for 2017:

- President - James Koeppel
- Vice President - Brian Roberts
- Secretary / Treasurer - Kevin Kopp
- Safety Officer - Kenton Tomlinson
- Board Member (Elect) - Shawn Pendleton

### New Business

President Koeppel said that he would be asking for people to volunteer for committees for the upcoming year at the January 2017 meeting. These committees should be starting early in 2017.

Brian Roberts motioned to adjourn. Kenton Tomlinson seconded the motion. Motion passed.

Meeting adjourned at 7:19PM. 🐼

Happy New Year!

With the holidays wrapping up and the start of another year, it's time to start looking ahead to flying season. Hopefully Santa brought you some new flying toys and you are already making tracks toward getting them finished and flyable. If not there is still

time this winter to hit up a swap meet or two to pick up a new treasure. Check out the Upcoming Events column for locations. I also included the flyer for the Madison Club's Swap. Their event includes an indoor fly as well. The rules for what is allowed is included on the flyer.

Unfortunately Mother Nature didn't cooperate with us this year and allow us to hold a New Years Fly. I was out and about running errands and it was about 1 degree out and windy. Definitely not worth risking frost bite for a couple flights or risking wrecking something due to frozen grease in a servo. Maybe we can get a good day in February to try again.

That's all for this month. Hope to see you at the meeting.
